

River and Drainage Engineering Schemes Catchment Community Meetings - 2018

Each year meetings are held for ratepayers funding Horizons Regional Council's various Flood Protection, River Control and Drainage Schemes.

The purpose of the meetings is to report to ratepayers on the work carried out on the Schemes over the past year, and to discuss work proposed to be carried out during the forthcoming financial year. Scheme budgets and proposed rates for the 2018-19 year will also be presented and Councillors and staff will be available to respond to ratepayer queries on general Scheme issues.
