

Application to utilise Land Use Consent

Filling in this application form does not constitute an agreement to utilise land use consents held by the River Management Group of Horizons Regional Council. **Please have this form returned by 31 May.** After applications have been made, allocations will be assigned in June for the next financial year. You will be contacted directly about the state of your application. If your application is received after 31 May, it will be accepted however allocations based on consent volumes may already be full. Send your completed form to gravel@horizons.govt.nz.

Company Name

Contact Details Name
