**Horizons Regional Council
CONTIGUOUS FARMED AS ONE BUT DIFFERENT OWNERS
Rate Remission Criteria**

Rating units that meet the criteria under this policy may qualify for a remission of uniform annual general charges and any targeted rate set on the basis of a fixed dollar charge per rating unit. The ratepayer will remain liable for at least one set of each type of charge. This remission applies for financial years starting from 1 July 2015 onwards. The rating units on which remission is given must be contiguous, farmed as one, but in different owner names.

Ratepayers wishing to claim a remission should make an application on the form prescribed by Horizons. The onus will be on the ratepayer to demonstrate that s/he meets the conditions and criteria set.

Decisions on remission of uniform charges will be delegated to the chief financial officer as set out in the Council's delegations resolution. In addition the remission will be reviewed every three years.
