General subject of each matter to be considered	Reason for passing this resolution	Grounds under section 48 (1) for passing this resolution
PX1 Endorsement and adoption of the Passenger Transport Subcommittee resolutions and recommendations of 25 August 2008	As disclosure would not be in the public interest because of the greater need to enable Council to carry on without prejudice or disadvantage commercial negotiations.	That the exclusion of the public from that part of the meeting is necessary to prevent the disclosure of information for which good reasons for withholding exist.
PX2 Endorsement and adoption of the Passenger Transport Subcommittee resolutions and recommendations of 18 November 2008	As disclosure would not be in the public interest because of the greater need to enable Council to carry on without prejudice or disadvantage commercial negotiations.	That the exclusion of the public from that part of the meeting is necessary to prevent the disclosure of information for which good reasons for withholding exist.
