Want to know where your bus is?

There are three ways you can track your bus in real-time.

- Download the Transit App to plan your trip and track your ride. Residents of the Horizons Region have access to Transit Royale for free which allows users to access more features.
- You can access real-time information online by visiting **horizons.dynamis.live/#/home**.
- Finally, at the top of the timetable at your bus stop, you will see a four digit stop code assigned to each stop location. You can text that stop code to **8771** to find out how far away your bus is.
