CONNECT HORIZONS REGIONAL TRANSPORT

Important information

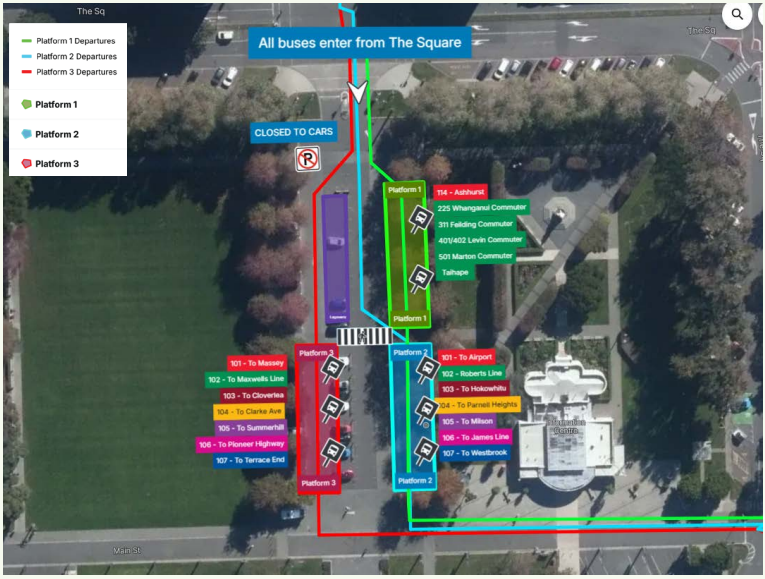
Upcoming Fare Changes

Heads up – from 19 January 2026, bus fares across Connect services will be increasing. For details about this change, visit our website at horizons.govt.nz/buses-transport/fares-information.

Main Street Bus Hub (MSBH) Detour

Starting 5 January MSBH Palmerston North will be closed as Palmerston North City Council upgrade the road. Instead, our buses will be departing and arriving at Te Marae o Hine, The Square. This work is expected to take five weeks, but if work finishes earlier, we will let you know on the Connect Facebook page.

A map showing how the temporary bus hub will work is below.



Feilding bus upgrades

On 19 January the Feilding commuter will be changing its route through Palmerston North. Instead of travelling down Featherston St, it will travel down Grey St in both directions. For more information on this change visit horizons.govt.nz/buses-transport.
