# CAREERS ON THE HORIZON

At Horizons, we know that deciding what to study is never easy, and knowing the career you want at the end of it all is even harder. Horizons offers a fantastic and supportive environment for graduates to begin and grow their career.

We employ a huge range of people from accountants to zoologists, and many others in between. We can suggest a range of tertiary study options to help you kick-start your career in our dynamic regional council environment.

We would love to talk to you today about your future here with us.

Listed opposite are some of the positions we offer, along with the types of qualifications we look for.
