Lodgment fee \$885.50 incl GST |
| <input type="radio"/> Dairyshed Discharge
Lodgment fee \$1,012 incl GST | <input type="radio"/> Discharge to Land
Lodgment fee \$885.50 incl GST |
| <input type="radio"/> Land use for intensive farming and associated discharges
Lodgment fee \$885.50 incl GST | <input type="radio"/> Change of Consent Conditions
Lodgment fee \$885.50 incl GST |
| | <input type="radio"/> \$885.50 incl GST |

Location/ property address of the proposed activity

Legal description of all land titles (this can be found on your rates demand):

Valuation numbers for all land titles (this can be found on your rates demand):

Map reference (if known):

Ring Horizons Regional Council's Consents Team on freephone 0508 800 800 if you require a map

Do you own the property where this activity will take place? Yes No

If no, please state owner of property?

Contact details of property owner:

Please note that written approval is required from this landowner and should accompany this application

Contact person at Horizons Regional Council

If you have already dealt with a member of the consents team please advise their name?

Signature of applicant: (or person authorised to sign on behalf of the Applicant)

Address for service of applicant if different from above:

Phone no:

Mobile no:

Contact person:

Have you attached the following:

- Activity application forms as ticked above
- Assessment of Environmental Effects
- Map showing location and all required points of reference as requested on the activity application form
- Lodgment fee

Please note: If you do not provide enough information your application may not be accepted. All further correspondence will be sent electronically unless otherwise specified.

- I would like to receive all correspondence as hardcopy.
- I would like to receive all correspondence electronically.

The information provided on this form will be used to process the consent application and, if granted, to monitor the exercise of the consent. The information requested is required by the Resource Management Act 1991. Horizons Regional Council may disclose the information if a request is made by another party, under provisions of the Local Government Official Information and Meetings Act. Horizons Regional Council may also publicly disclose some of this information in circumstances where consent conditions have been breached. Under the Privacy Act 1993, you have the right of access to personal information about you held by Horizons Regional Council and you are also entitled to request information about you to be corrected.

2016/644

Application

dairyshed effluent change or cancellation of consent conditions

Consent number: _____

Dairy supply no: _____

Consent holder: _____

Contact person: _____

You must submit with this application an up-to-date Dairy Effluent Storage Calculation (DESC) supporting this application

Please contact Horizons Regional Council Rural Advice Team or an Agricultural Representative to undertake this calculation for your farm.

The DESC must accompany your application for it to be accepted (by getting a DESC completed it will demonstrate that your pond can handle the additional capacity caused by the extra cows). Please contact Horizons Regional Council's Rural Advice team or an agricultural representative for assistance.

Advice note: If you are required to build a new pond please complete the Dairyshed Effluent Discharge Application.

What are the main reasons for you to apply for a variation to your existing consent?

Please explain in detail:

Increasing cow numbers

Newly built feedpad

Consent condition change

Due to purchase of new land or lease of land? Yes

No

If yes, please state previous use of new or leased land: _____
(i.e. sheep and beef, dairy etc.)

Do you own the property you wish to discharge to? Yes No

If no, please provide written approval from the landowner. Please contact Horizons Regional Council for an appropriate form.

Herd size (please state maximum expected herd size) Seasonal max: _____ Winter milk (if applicable): _____

Does your farm have an underpass? Yes No

Where does effluent and stormwater from the underpass go? _____

Continued Overleaf

Feedpad- if applicable

What type of feedpad do you have? Woodchip Concrete Other

Where does the effluent from your feedpad go?

Where does the effluent from your feed storage area go? _____

Is your feed storage area sealed? Yes No

If yes, how is it sealed? Concrete Other _____

Distance to closest waterway or bore: _____

Effluent discharge

Please provide a sketch of your effluent holding facility, including any effluent ponds and sumps (please show dimensions - depth, width, length, batter etc) on a separate piece of paper

What is the total area (in hectares) that your irrigation infrastructure can cover? _____

What is the total land area (in hectares) available for spreading of solids? _____

Does your discharge area have artificial subsurface drainage i.e. tile, mole, nova drains? Yes No
(please note these areas on the map required below)

Irrigator type: (eg. travelling, sprinklers, slurry wagon etc):

How many hectares does your Overseer effluent report require you to have for effluent discharge? _____

Please include copies of Overseer parameter report corresponding with this consent application (i.e. cow numbers and feedpad use)

Do you discharge any other form of effluent to land? {e.g. piggery, poultry litter} Yes No

Please state: _____

Do you have any rare or threatened at risk or historic features on your farm? Yes No
(i.e. wetlands, native bush or trees)

Water source (for washdown and stock water, includes vat wash and plant wash down water)

Where do you take water from?

Washdown water volume: _____ m³/day (Total use)

Do you have a current consent for your water take? Yes No Consent No. _____

Continued Overleaf

Please provide a site map to scale showing:

- The cowshed and yard(s)
- The effluent storage system (i.e. sumps, stone traps, ponds, pipes and drains etc)
- Feedpad(s) and feed storage area(s) (if applicable)
- Roads and houses
- Drains (including tile, mole and subsurface drains)
- Waterbodies, lakes, wetlands and any other surface water
- Effluent irrigation area and buffer distances between boundaries/residences/public roads/watercourses etc.
- Distances in hectares from discharge areas to any features
- Any other relevant aspects

It is very important that the map provided with this application is accurate and shows all the applicable features above

Please provide the following:

- Sketch of effluent holding facility including effluent ponds and sumps
- Soil map (if available) - contact Horizons for a regional scale map of your farm
- Nutrient budget from Overseer (incl. effluent report)
- Parameter report - Overseer parameter report showing cow numbers and feedpad use which corresponds to this application

Please note: If you do not provide enough information your application may not be accepted

Fees and charges

A lodgement fee of \$870.00 (incl GST) is required with your application. Failure to send the fee may result in rejection of your application. (**Note:** there may be circumstances where additional charges may be incurred).

If you would like to pay your lodgement fee via internet banking please make payment to **02-0630-0024883-003**, please insert CONSENT HOLDER NAME in **reference** and CONSENTS in **code**.

Signature of applicant: _____ **Date:** _____
(or person authorised to sign on behalf of the Applicant)

Ring Horizons Regional Council's consents team on freephone 0508 800 800 if you require assistance.
