

# Jono Naylor

I would welcome the opportunity to represent the Palmerston North community on the Regional Council. Having had the privilege of serving Palmerston North for 16 years as Mayor, City Councillor and as an MP I bring significant knowledge, skills and experience to the role.

I am passionate to see our region flourish economically and socially, and believe that we need to protect, restore and enhance our environment.

My priorities include improving the quality of our rivers (especially the Manawatū), supporting regional economic development, establishing a viable alternative to the Manawatū gorge, sustainable land use and improving our public transport services.

I am committed to listening and working collaboratively to get the best outcomes for all members of our community.

If elected I will work to ensure that our region is a place where there are plenty of opportunities, people can get around easily and we can swim in the rivers.
