

Manawatū-Whanganui Regional Council
(trading as Horizons Regional Council)
Ruapehu Constituency
Electing 1 Regional Councillor

Weston Mervyn KIRTON

My principal place of residence is in the Ruapehu Constituency area.

Listening to the people within our diverse community is my biggest priority.

Taumarunui born and bred and married with four children, I have had several years' experience in local government, including three years on the Regional Council.

I stand for fairness in policies and fairness as to who pays for services.

As a farmer myself I can understand and appreciate the challenges and issues that surround compliance and regulations. The ongoing complex ONE PLAN is an example of the need to engage more with all stakeholders something I am committed to.

I believe that urban areas within the Ruapehu district are missing out on quality public transport.

People including folk with disabilities need good reliable access to public transport.

I pledge to work hard on behalf of each of the urban communities to establish a more comprehensive transport service that reflects the needs of the community at an affordable cost.
