

Seaweed Selfie Competition 2018

Toiora te Moana - Toiora te Tangata - Healthy Seas, Healthy People!

Renew your connections with the ocean and keep our coastline seas healthy for all. Seaweed 2018 runs from 3 – 11 March.

To celebrate, we are launching a selfie competition.

How to enter:

Visit your favourite beach and collect all the rubbish you find. Take a selfie with your rubbish collection, or of an unusual piece of rubbish you found. Upload it to Facebook, Twitter or Instagram with #seaweekselfie and a tagged beach location for the chance to win a beach themed prize pack.

Terms and Conditions:

The Seaweed Selfie competition runs from 16 February until 5pm 19 March 2018. You may enter as many times as you like. Entries must include the #seaweekselfie hashtag and a tagged beach location. By entering this competition you are giving Horizons permission to use your image for future publicity and promotional purposes. Horizons has the right to report any images that are in breach of standard social media guidelines and Horizons' safety guidelines (for example nudity, profanity, or evidence of reckless or unsafe activity). Winning entries will be randomly selected, with the winner notified via social media by 30 March 2018. No correspondence will be entered into following the prize draw. Two beach themed prize packs will be offered. Prize packs cannot be exchanged for cash.
