## HOW TO USE THE BUS SERVICE

### Plan your journey

Use the map at the front of this book to find your current location and the best bus route to take you to your destination. You can find the times your bus route runs by referring to the relevant timetable in this book, or access our Journey Planner online. Alternatively freephone Horizons Regional Council on **0508 800 800** and we can help you plan your journey.

### Catching your bus

Be at the bus stop 5 minutes before the bus is expected to arrive. Stand on the footpath near the front of the bus stop. Some bus stops are used by more than one route, so as the bus approaches check the route number and destination displayed on the front of the bus. Raise your arm as a signal to the driver that you want the bus to stop.

### On the bus

For your own safety and comfort, as well as those around you, please:

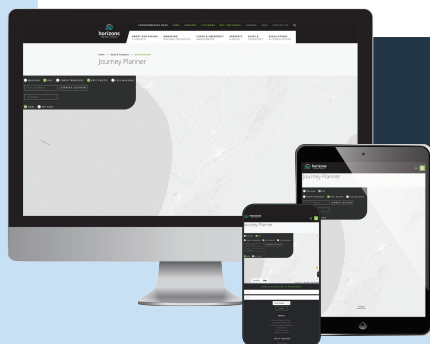

- Do not smoke, eat, drink or play loud music.
- Adhere to any COVID-19 requirements as indicated by signage on the bus or on our website.
- If the bus is busy, please offer your seat to someone who may need it more than you.
- Enjoy the free WIFI on our Commuter service.

### Leaving the bus

Press the button as the bus approaches the stop where you want to get off. The bell rings letting the driver know you want to get off at the next stop.

Please ensure you allow enough time, when pushing the button, for the driver to stop smoothly and safely at your requested stop.

Before leaving the bus, please check you have all your belongings with you.

## PLAN AHEAD

Visit [www.horizons.govt.nz/journey-planner](http://www.horizons.govt.nz/journey-planner) to help find the best bus service for your journey. Just enter your current location, where you would like to go and when you would like to leave/arrive.
