

Proposed Plan Change 3 – Public Notice of Availability of Summary of Submissions and Invitation to Lodge Further Submissions

The Summary of Submissions and Decisions Requested on Proposed Plan Change 3 to the One Plan is now available, along with copies of the submissions. Plan Change 3 proposes to introduce new provisions to Regional Policy Statement to give effect to the National Policy Statement on Urban Development 2020. It sets out objectives and policies for the provision of sufficient development capacity to meet the expected demand for housing and business land, and for the planning of well-functioning urban environments. It will improve the responsiveness of land and development markets, improve resilience to climate change, and ensure planning decisions relating to urban environments take into account Te Tiriti o Waitangi. Further submissions are sought on the submissions that have been made.

A copy of the Summary of Submissions can be viewed online at <http://www.horizons.govt.nz> or accessed at your local library or Horizons Service Centre during opening hours.
