

The below table gives the number of Dairy Farms in each of the three tiers of catchment with Controlled activity and Restricted Discretionary status. The final column is the number of consented farms that still don't meet the table with the updated version as proposed by PC2

	Number of consented Dairy Farms with Controlled activity status	Number of Consented Dairy Farms With RD consents	Number of consented dairyfarms currently that would still be RD if the PC 2 table applied
Mangaatua (Mana_9c)		8	6
Upper Gorge Management Zone	1	14	12
Manawatu from Upper Gorge to source	1	117	102
