

Public Notice under Clauses 17 and 20 of the First Schedule of the Resource Management Act 1991 Plan Change 3: Urban Development to be made operative

Manawātū-Whanganui Regional Council (Horizons) adopted the recommendations of a Hearing Panel on Plan Change 3: Urban Development to the One Plan – the consolidated Regional Policy Statement, Regional Plan and Regional Coastal Plan for the Manawātū-Whanganui Region on 25 June 2024. The period for appeals against that decision closed on 23 August 2024 and three appeals were received within that period. Following Council resolution, the provisions of Plan Change 3 not subject to appeal became partially operative on 16 December 2024.

The Plan Change 3 provisions subject to appeal were resolved through Environment Court mediation, with the Environment Court issuing a consent order directing Council to make the changes agreed to in mediation. Accordingly Horizons resolved under Clause 17 of the First Schedule of the Resource Management Act 1991 (RMA) to make the changes directed by the Environment Court Consent Order and approve the remaining parts of Plan Change 3.

Public notice is given in accordance with Clause 20 of the First Schedule of the RMA that, following the Council's resolution, Plan Change 3 to the One Plan will become **fully operative** on **16 May 2025**.

The One Plan, as amended by Plan Change 3 can be viewed online at www.horizons.govt.nz. Copies will also be made available to view at public libraries in the Horizons Region and at the Horizons Regional Council public offices during normal business hours as soon as practicable.
