Robyn

Please find **attached** the evidence of Mr J Bowler, Environmental Manager - Renewable Energy at Genesis Energy, in relation to Chapter 4 (Te Ao Maori) of the proposed One Plan.

Please note the evidence comprises a statement and supporting table, as explained in the statement (hence, the two attachments).

Genesis Energy seeks that the Hearing Committee consider the evidence of Mr Bowler who does intend to attend the hearing, Mr Bowler can be available, however, to answer any questions on his evidence if that would assist the committee.

We will also be forwarding legal submissions on behalf of Genesis Energy later this week. Again, counsel can be available if of assistance to the Hearing Committee.

We will contact you at the end of the week to ascertain the position in relation to Mr Bowler's evidence.

Regards  
Paul
