Robyn Harrison  
Hearings Administrator  
Horizons Regional Council  
Private Bag 11025  
Palmerston North 4442

Dear Robyn

**Airways' comments on the Coastal Chapter of the Proposed One Plan**

Airways' made a submission on Rules 17-6 and 17-8 in the Coastal Chapter of the Proposed One Plan. Airways' is responsible for facilitating the safe movement of air traffic in New Zealand airspace. Airways' are primarily concerned with protecting its land and building assets, maintaining operational flexibility, and enhancing opportunities for upgrading existing facilities.

The Planning Evidence and Recommendation report has not recommended any changes to Rules 17-6 and 17-8. Airways' therefore wishes to table their support for the Coastal Chapter of the Proposed One Plan. Airways requests that Rules 17-6 and 17-8 be retained in the Proposed One Plan as currently written.

Airways' thanks Horizons Regional Council for the opportunity to table evidence at the Coastal Hearing of the Proposed One Plan.

Please feel free to give me a call on (06) 350 3271 or at email address: [Lisa.Hooker@opus.co.nz](mailto:Lisa.Hooker@opus.co.nz) if you wish to discuss any of the matters raised in this letter further.

Yours sincerely

Lisa Hooker
