My/our submission is that (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons):

I support the proposed plan change

I currently milk around 260 cows with minimal help. The farm is not really big enough to employ a full time person, but a bit big for one person. I have three 50-70 acre blocks on my boundary. If one of these came up for sale I could add it to the farm, milk a few more cows and create a full time job. This would be easier to do under the proposed plan change.

(Only submitters who indicate they wish to be heard will be sent a copy of the planning report.)

If others make a similar submission I/we will or will not (select one) consider presenting a joint case with them at a hearing.
