Horowhenua District Council is a Territorial Local Authority.

Is this in support or opposition of a previous submission?

State the name and address of the original submitter, if available, and number of the original submission:

Federated Farmers of New Zealand Inc PO Box 945 Palmerston North 4440

The particular parts of the submission I support (or oppose) are (clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the proposal)

The Council opposes in part the submission of the Federated Farmers on the grounds that the Horowhenua District Council seeks that Plan Change 2 to be withdrawn and transitioned to a collaborative planning process, as provided in the Resource Management Act; Or in the alternative, the creation of specific policy settings for horticultural activities, distinct from pastoral farming to ensure the development of a flexible and robust transition framework, for the consenting of horticultural activities in target catchments. The Horowhenua District Council supports the submission of the Federated Farmers in relation to their request to include new definitions. The inclusion of further relevant definitions will provide greater clarity and assist

with administration of the One Plan. The Council also supports that part of their submission which recognises that nitrogen baselines vary for the relevant sectors e.g, commercial vegetable growing, as this aligns with the Horowhenua District Council's original submission.
