

RP – SCHED8 – Airsheds

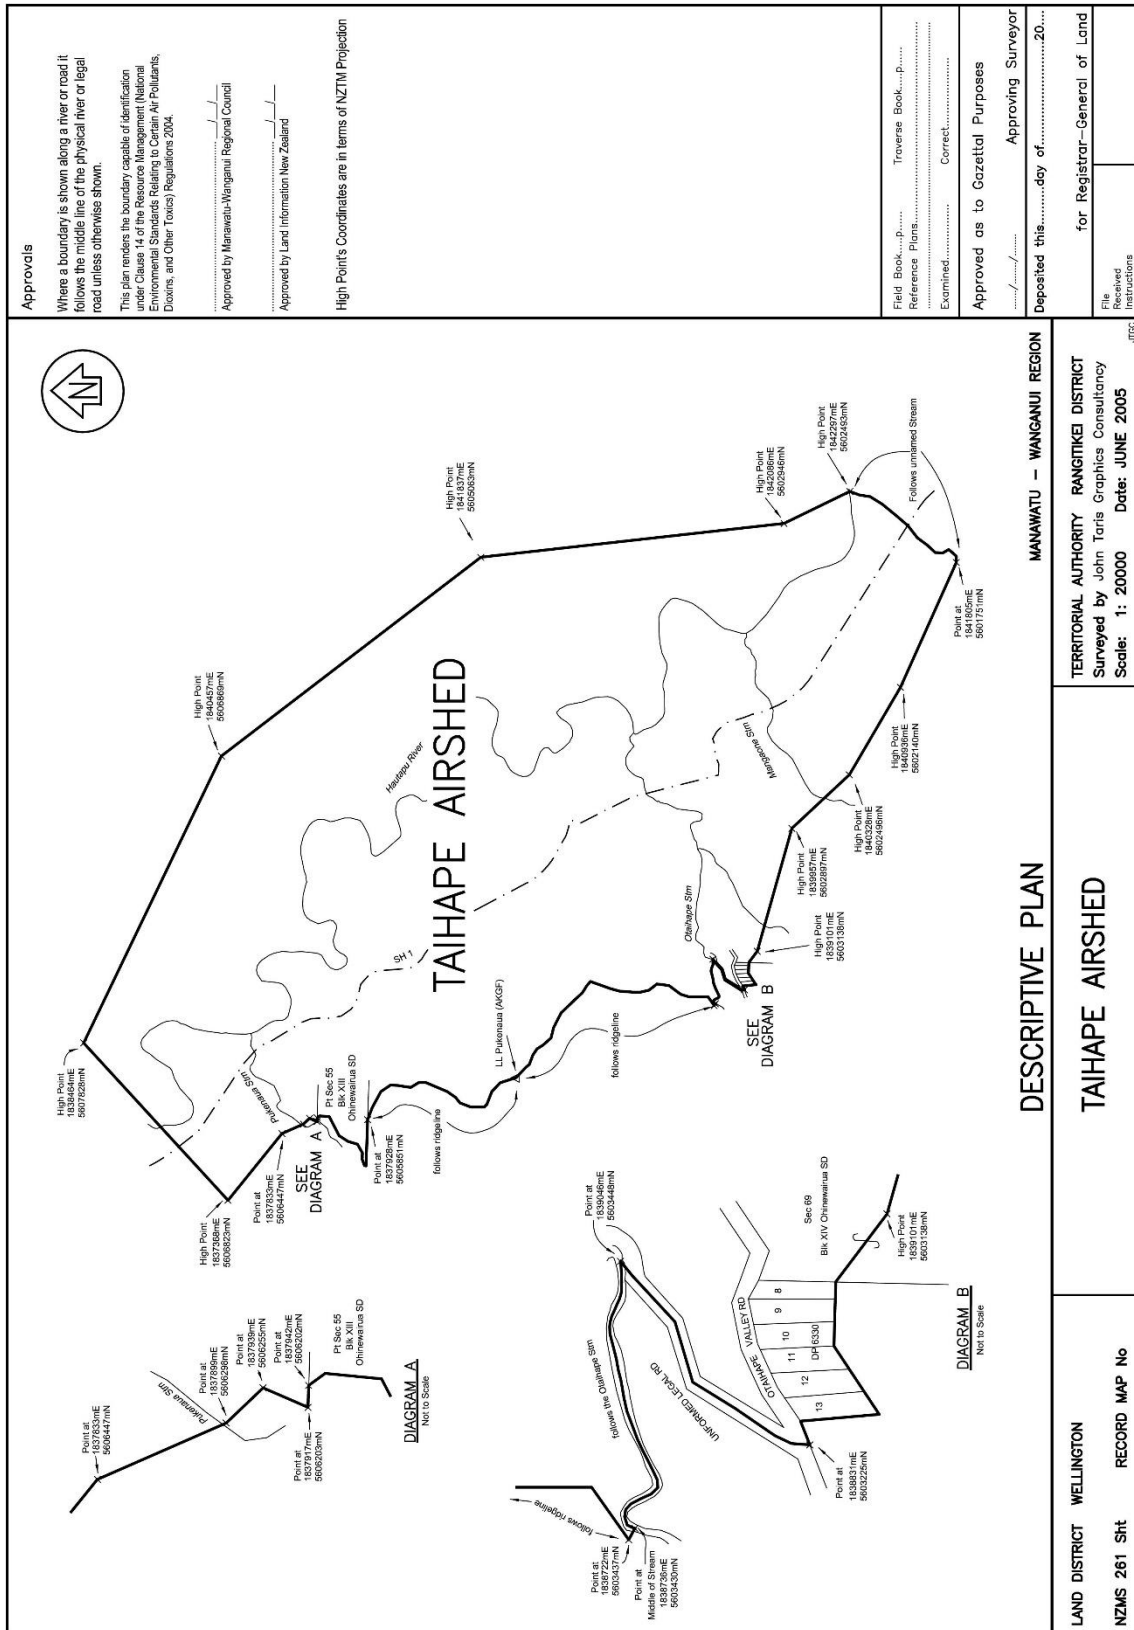

Figure26 Taihape Airshed

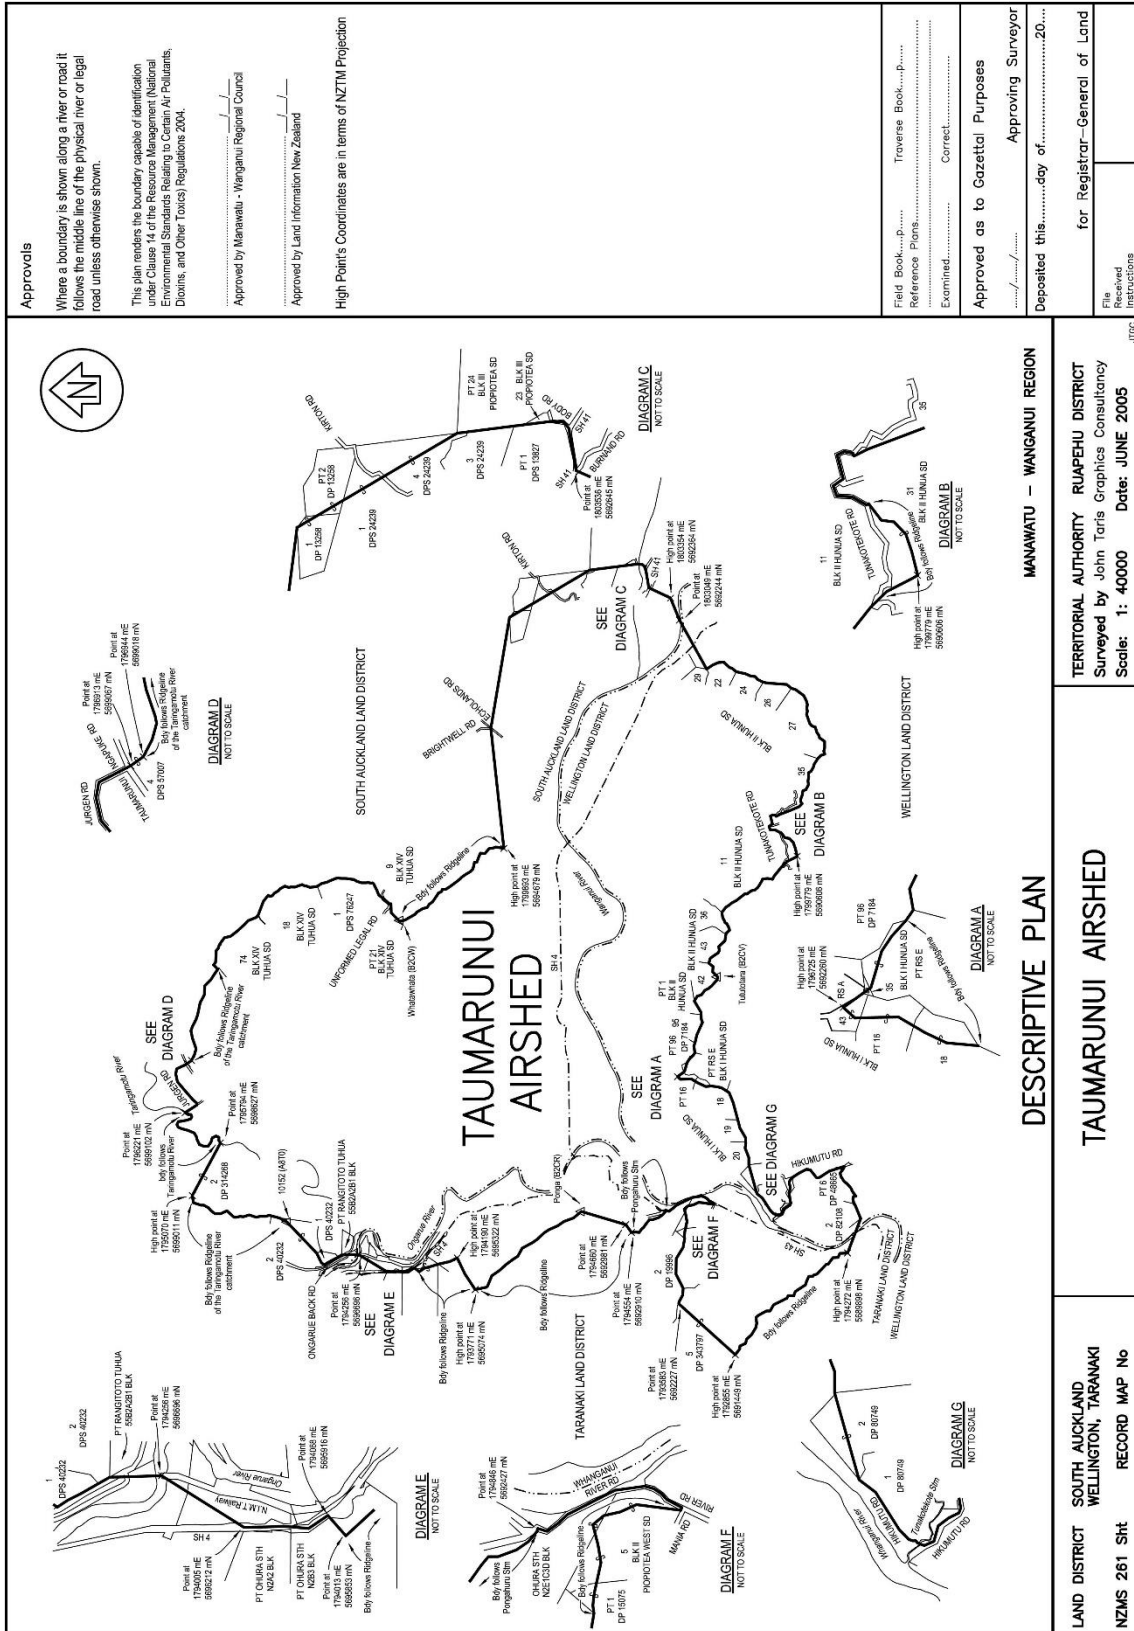

Figure 27 Taumarunui Airshed

Approvals

Where a boundary is shown along a river or road it follows the middle line of the physical river or legal road unless otherwise shown.

This plan renders the boundary capable of identification under Clause 14 of the Resource Management (National Environmental Standards Relating to Certain Air Pollutants, Ozone, and Other Toxics) Regulations 2004.

Approved by Manawatu - Wanganui Regional Council

Approved by Land Information New Zealand

High Point's Coordinates are in terms of NZTM Projection
