

Form 33
Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Wellington

The Water Protection Society wishes to be a party to the following proceedings:

Ngati Turanga and Te Runanga o Raukawa and Wellington Fish and Game Council and Andrew Day and the Manawatu Whanganui Regional Council in appeals against the decision of the last-mentioned party on Plan Change 2 to the One Plan.

The Water Protection Society made a submission on the Plan Change.

The Water Protection Society is not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

The Water Protection Society is interested in all of the proceedings.

The Water Protection Society supports the relief sought because, without limitation —

the most up-to-date science should be used to determine how much N-leaching is occurring and how much is allowable on different classes of land.

there needs to be a pathway for deintensification of land use where nutrient leaching maxima cannot be achieved.

the decision to allow exceedance of the revised Table 14-2 cumulative nitrogen leaching maxima undermines the basis on which the One Plan was supposed to limit nutrient pollution of waterways.

The Water Protection Society agrees to participate in mediation or other alternative dispute resolution of the proceedings.

Dr Chris Teo-Sherrell
